

The Fribley Hardware and Implement Co. in the lead in 1900.

Early in 1899 this company became convinced that nothing could prevent a great advance in everything made from steel and iron, and acting on these convictions they made large purchases of

IMPLEMENTS, STOVES, BUGGIES AND WAGONS

for future delivery, and for more than a month they have received car after car of these goods, and their four large ware rooms are jammed full to the very roof. They are in condition to make very low prices and say they intend their trade to share with them the profit made by their foresight in making these early purchases.

Charley Fribley made a trip up into North Central Kansas and bought a large stock of

German Millet, Sorghum and Kaffir Corn Seeds

from first hands, and the first car is now in stock. Every grain of this seed will grow.

THIS COMPANY ARE AGENTS FOR THE FAMOUS McCORMICK MOWERS AND BINDERS.

This company carries a complete stock of Hardware, Wagon and Buggy Repair Woods, Tents, Wagon Covers and Hay Sheets. They manufacture Harness and keep a large stock on hand; sell Robes, Dusters, Horse Covers, Saddles and Whips.

ELECTION ECHOES.
Harry Bragg didn't know when to quit.

Charlie Daniels majority exceeded the one he had last year.

The race for school board in the third ward was a pretty one.

Some of the defeated candidates are taking their defeat to heart. Gentlemen, that is not right. You should remember that the election is over. All could not win.

Ira Perkins, Geo. Walker, Morris Doty, T. E. Needs and Link Jones had a "lead pipe cinch."

Things might have been different if the ballots had been cast for the other fellows.

Charlie Willis is thankful to his loyal Republican friends for their support.

Bragg will soon "warn you out" on the streets.

The millinery opening at Miss Simpson last Saturday was a grand success. The house was thronged with good looking ladies all day long. Bouquets of violets were the souvenir.

Webster Davis, assistant secretary of the interior, has announced that he will resign and lecture in behalf of the Boers. Mr. Davis has been in the South African Republic for several weeks with a view to studying things and has made up his mind that the Boers are a persecuted people. We would very much like to hear Mr. Davis on this subject and believe the Inter-State Reunion Association can secure him if the proper steps are taken early.

The News office rather knocks them all out on sale bills, horse bills and fine job printing. We would like to have the farmers compare our sale bills with those printed at other offices. We not only have the type and material, but we get in the artistic touches cross roads printers do not possess. There are lots of better printers than we in the printing business and some of them may be George Washington's, but the farmer who wants a sale bill or jack diploma does not care for patriotism, morality or the sunbeam sort of Christianity. He wants good, wholesome artistic work in clear type, white paper good ink and skillfully displayed. And that's the sort of work we do at the News office.

There must be a good reason why the coffee lovers of America buy millions of pounds of ARBUCKLES' COFFEE in preference to any other kind. The reason is found in its rich drinking qualities; in its permanent goodness. The quality never changes. Whether you buy it of a big coffee dealer or at a little grocery store around the corner, you get the same coffee, the same goodness, the same value for your money. You can't be deceived if you buy

ARBUCKLES'

Roasted Coffee

It is prepared by an individual firm who value their reputation too highly to endanger it by lowering the standard of their coffee. It is hermetically sealed and put up in packages by people of many years experience and utmost reliability. It is not ground because ground coffee loses two-thirds of its flavor before reaching the consumer. It is not sold in bulk because of the possibilities of adulteration. It is not sold at a high price because it is better to sell millions of pounds of coffee at a small profit than hundreds of pounds at a large profit.

Every package of Arbuckles' Roasted Coffee contains information about many valuable articles that the consumer is entitled to receive. Ask your grocer for Arbuckles' Roasted Coffee.
